LUBIGEN

Automotive and Industrial lubricants

About Us

At Lubigen, we offer you a vast range of high-performance automotive and industrial lubricants. Here, we understand the significance of lubricants in the effective working of engines and machinery. All our products offer premium protection and boost the performance of your vehicles.

We manufacture our products from high-grade materials such as premium oils and turbo performance-enhancing additives. Hence, our team at Lubigen ensures they meet all the automotive and industry-laid standards of excellence and quality. We strongly believe in the power of innovation to process and deliver the best range of products for your vehicles' needs.

MOTORCYCLE OIL

Motorcycle Oil

SAE	20W40 4T
API	SN
JASO	MA2
PACK SIZE	900ML, 1LTR, 50LTR, 210LTR
SAE	10W30 4T
API	SN
JASO	MA2
PACK SIZE	800ML, 900ML, 1LTR, 50LTR, 210LTR
SAE	20W50 4T
API	SN
JASO	MA2
PACK SIZE	1LTR, 50LTR, 210LTR
SAE	15W50 4T
API	SN
JASO	MA2
PACK SIZE	2.5LTR, 50LTR, 210LTR

Lubigen's Motorcycle Oils ensure maximum performance from your motorcycles. They optimize their frictional characteristics for the ultimate power transfer and smooth transitions.

CAR ENGINE OIL

SAE	5W30
API	SN
ILSAC	GF5
PACK SIZE	1LTR, 3.5LTR, 4LTR, 5LTR, 50LTR, 210LTR
SAE	5W40
API	SN
ILSAC	GF5
PACK SIZE	1LTR, 3.5LTR, 4LTR, 5LTR, 50LTR, 210LTR
SAE	10W30
API	SN
ILSAC	GF5
PACK SIZE	1LTR, 3.5LTR, 4LTR, 5LTR, 50LTR, 210LTR
SAE	10W40
API	SN
ILSAC	GF5
PACK SIZE	1LTR, 3.5LTR, 4LTR, 5LTR, 50LTR, 210LTR

Lubigen offers multipurpose, performance-boosting engine car oils suitable for both petrol and diesel-powered engines. They extend your engine's life and allow you to achieve peak performance by reducing wear and tear while operating. They ensure superior protection to petrol and diesel engines both on-highway and off-highway.

**COMMERCIAL
VEHICLE OIL**

Commercial Vehicle Oil – Truck

SAE	15W40
API	CH-4
PACK SIZE	1LTR, 3LTR,5LTR, 7.5LTR, 10LTR, 20LTR, 50LTR, 210LTR
SAE	15W40
API	CI-4 PLUS
PACK SIZE	1LTR, 3LTR,5LTR, 7.5LTR, 10LTR, 20LTR, 50LTR, 210LTR
SAE	20W50
API	CH-4
PACK SIZE	1LTR, 5LTR, 50LTR, 210LTR
SAE	20W40
API	CH-4
ILSAC	GF5
PACK SIZE	1LTR, 5LTR, 50LTR, 210LTR

Lubigen's Commercial Vehicle Oils are high-performance, heavy-duty engine oils suitable for turbo-charged engines. They extend your engine's life by reducing wear and tear while operating under severe conditions. They provide superior protection to engines operating on-highways like high-load trucks and buses.

AGRICULTURE

SAE	20W40
API	CF-4
PACK SIZE	7.5LTR, 8.5LTR,10LTR
SAE	15W40
API	CF-4
PACK SIZE	7.5LTR, 8.5LTR,10LTR
SAE	15W40
API	CH-4
PACK SIZE	7.5LTR, 8.5LTR,10LTR
SAE	15W40
API	CI-4 PLUS
PACK SIZE	7.5LTR, 8.5LTR,10LTR

Lubigen's Agricultural Lubricants are high-performance, heavy-duty diesel oils suitable for turbo-charged diesel-powered engines. They extend your engine's life by reducing wear and tear while operating under severe conditions. They provide superior protection to diesel engines operating off highways like mining, construction, and agricultural equipment.

GEAR OIL

Gear Oil

LUBIGEN

Automotive and Industrial Lubricants

SAE	EP90
API	GL4
PACK SIZE	1LTR, 5LTR, 20 LTR, 26 LTR, 50 LTR AND 210LTR
SAE	EP140
API	GL4
PACK SIZE	1LTR, 5LTR, 20 LTR, 26 LTR, 50 LTR AND 210LTR
SAE	80W90
API	GL4
PACK SIZE	1LTR, 5LTR, 20 LTR, 26 LTR, 50 LTR AND 210LTR
SAE	85W140
API	GL5
PACK SIZE	1LTR, 5LTR, 20 LTR, 26 LTR, 50 LTR AND 210LTR

Lubigen's Gear Oils are extreme pressure, advanced transmission oils suitable for manual transmissions, transaxles, spiral bevel gears, and axles with hypoid gears. These automotive oils are ideal for superior protection to your engines operating under moderate to severe speeds under heavy load. However, these products are not recommended for engines with automatic transmissions.

TRANSMISSION FLUID

AUTOMATIC TRANSMISSION FLUID

GM TYPE A SUFFIX A

PACK SIZE 1LTR, 50 LTR AND 210LTR

WET BRAKE OIL (UTTO)

JDM J20C

PACK SIZE 5LTR, 20LTR, 26LTR, 50 LTR

Lubigen's Gear Oils are extreme pressure, advanced transmission oils suitable for manual transmissions, transaxles, spiral bevel gears, and axles with hypoid gears. These automotive oils are ideal for superior protection to your engines operating under moderate to severe speeds under heavy load. However, these products are not recommended for engines with automatic transmissions.

MARINE

2 STROKE ENGINE OIL

NMMA TC W3

PACK SIZE 1LTR, 5LTR, 50 LTR AND 210LTR

The Lubigen 2-stroke Engine Oil is a high performance, multigrade engine oil suitable for water-cooled and high-revving engines with premix/injection systems. It provides long-lasting protection and boosts the performance of your engines. It is the ideal option to ensure your engine's overall health and maintenance.
